## CONFERENCE & RECOGNITION AWARDS

Conference & Awards are all about keeping everyone focused for long hours and to share all the hard work everyone has done as a company through out the year.

These moments are need to be appreciated by all participants through out the event. To keep things energetic not only the speaker has to be good the equipment that you use for the entire event also must be extremely good.

These events counts by seconds and KL Mobile DJs staffs are well trained to ensure the whole event flows smoothly

The package can be customized based on your venue and the number of pax.
